## Experience

### Freelance Project: Web App for DMCC Agriculture E-Commerce August 2023

In collaboration with Mr. Anup Kumar Paswan, I helped create an e-commerce web app for "Day Mark Crop Care" ([daymarkcropcare.com](https://daymarkcropcare.com)). Using Bootstrap, JavaScript, PHP, Laravel and SQL, I crafted web pages for best functionality and user experience. My job involved making the app work well on different devices and ensuring easy navigation. This taught me not just programming but also collaborating and turning ideas into real web features.
